Universal Access Program

OUR MISSION

DCR's **Universal Access Program** is dedicated to providing outdoor recreation opportunities in Massachusetts State Parks for visitors of all abilities. Accessibility is achieved through site improvements, **specialized adaptive recreation equipment**, and accessible recreation programs.

Adaptive and Accessible Programs: Cycling, hiking, kayaking, rowing, swimming, skiing, skating and many more!

Visit the [Universal Access Website](#) to keep up-to-date with our activities!

Pre-registration is required for all programs. To pre-register, contact the organization that is running the program. Our structured programs feature adaptive equipment, professional staff, and instruction and support. Friends, family, and companions are welcome to take part in our programs alongside participants with disabilities.
